## TRAINING YOU TO MAKE A DIFFERENCE

# LETS KEEP ALL KIDS SAFE THIS HOLIDAY SEASON

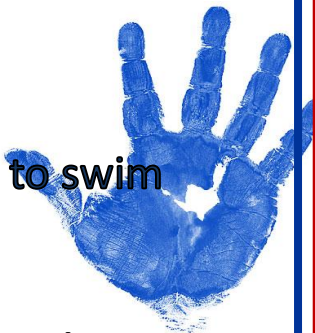

EVERY YEAR IN VICTORIA 33 CHILDREN ARE KILLED AND A FURTHER 75,500  
(THAT'S 1 IN EVERY 13) ARE TREATED IN HOSPITAL FOR INJURIES

**Water safety week**  
**26<sup>th</sup> Nov – 4<sup>th</sup> Dec**

**PLAY IT SAFE !**

**KIDS ALIVE – DO THE FIVE**

1. Fence the pool
2. Shut the gate
3. Teach your kids to swim  
- its great
4. Supervise  
- watch your mate
5. Learn to resuscitate!

**Drowning is one of the leading causes of preventable death in Australian children under 5 years of age**

**Each week, on average, one child drowns.**

**Drowning is PREVENTABLE**

## **Driveway Safety – Is no Accident !**

National statistics show that more than one child a week is run over in a driveway.

In light of another tragic driveway incident, Kidsafe Victoria are reminding parents and carers of the potential hazards for children in driveways.

- ✳ Driveways are an extension of the road
- ✳ Children require constant adult supervision around them
- ✳ There is always the need for caution

For further information and tips on how to reduce the hazards around driveways, [download Kidsafe Victoria's free driveway safety fact sheet.](#)

To order a copy of the driveway safety poster for your home, workplace or centre please contact Kidsafe Victoria on 9251 7725 or [info@kidsafevic.com.au](mailto:info@kidsafevic.com.au).

**We can make a DIFFERENCE**

## **HELP us name the newest member of the KMR Team.**

KMR have recently had a new member join our ever expanding team. This new addition does not talk much and we need your help. **FILL OUT THE ATTCHED COMPETION ENTRY FORM** and HELP with giving a voice and name to our new friend.

**Winner will receive a First aid Kit Valued at \$80**

(Winner to be announced early next year)

**TRAINING YOU TO MAKE A DIFFERENCE**

**NEW LOOK EPIPEN** With the arrival of the new look EpiPen® into Australia, you will see both the original and new look auto inject devices until late 2012. If you or someone you know receives the new look EpiPen® from the pharmacy, they will need to make sure they have the Action Plan for Anaphylaxis that matches the adrenaline auto injector they have.

**It is important to understand that the new look EpiPen® and EpiPen® Jr. have the same Auto injector mechanical properties and contain the same dose and formulation of adrenaline.** The needle gauge and length are exactly the same as the original and most importantly the **method of administration of the auto-injector is exactly the same.**

Key changes and features of the new look EpiPen® include:

- ◆ Easy grip body(oval shape) for easier handling
- ◆ Orange end extends over needle after use.
- ◆ The colour coding making it easy to determine the safety release end (blue) and needle end (orange).

**Recite the following rhyme to help you remember how to administer:**

*" Blue to the sky, orange to the thigh."*

**REMEMBER :** Included with every KMR Safety First CPR Update session is a free Anaphylaxis awareness session – **BOOK TODAY**

**EPIPEN CLUB** Register the Expiry Dates of your adrenaline auto-injector with the EpiClub® Reminder Program and they will send a message via SMS, email or post when the expiry date is approaching, reminding you its replacement time. It is very important to make sure that your adrenaline auto-injector is still within its 'Use By' or Expiry Date.

**REGISTER TODAY** at <http://www.epiclub.com.au/index.php?page=reminderprogram>

Anaphylaxis is potentially life threatening and should always be treated as a medical emergency, requiring immediate treatment. The Australasian Society of Clinical Immunology and Allergy (ASCI) has developed a comprehensive First Aid guide with steps to follow in an emergency.

<http://www.epiclub.com.au/index.php?page=resources/resource-firstaid>

**A VERY SAFE AND JOYFUL HOLIDAY SEASON TO ALL, KMR LOOK FORWARD TO WORKING WITH YOU ALL AGAIN IN 2012.**

**KMR will be closed from Thursday 22<sup>nd</sup> December 2011 and reopen on Monday 16<sup>th</sup> January 2012**

**RELAX, ENJOY & STAY SAFE X**
