

Course Details

Course Name Hands on CPR Workshop

Description The Hands on CPR Workshop is designed to provide knowledge and skills to participants to perform the essential life saving techniques of Cardiopulmonary Resuscitation (CPR).

Course Delivery

Duration • 1 x 2 hour face to face session

Topic

- Following the DRSABCD
- Identifying and eliminating dangers
- Care of an unconscious casualty
- Recognising response verses no response of a causality
- Performing infant, child and adult cardiopulmonary resuscitation in line with the Australian Resuscitation Council guidelines.
- Management of a choking casualty
- The process for calling an ambulance

Delivery The workshop will focus on demonstration of practical skills and role plays to reinforce learning. Each workshop is designed to meet the group's needs by allowing considerable time for questions and open discussions.

Assessment The Hands on CPR Workshop is non-certified training and therefore no assessment is required.

Cost Structure

Price • Face to face sessions **\$35.00 per person**
