E – Chamber

Le Petite E Chamber

Large E-Chamber

During February – 2012, Asthma Australia introduced new policies in relation to community use of spacers and masks.

For community settings, a 'single person use' protocol will be implemented. This is in response to national infection control guidelines and reflects manufacturers' instructions. **New Regulations will soon require all services to place disposable spacers in their Asthma Emergency Kits.**

## ARE YOU ORGANISING AN EVENT? WHO WILL MANAGE THE FIRST AID?

**KMR is able to manage First Aid at your next event.**

**Community Days, excursions, school camps  
athletic/sport days, concerts.**
