

Keeping up to date | March 2013

We hope everyone has had an enjoyable and safe Easter break and are back to it refreshed and ready to go.

KMR Safety First are revering up for an extremely busy period, we are looking forward to launching our new offering in Mental Health First Aid, as well as introducing a range of new and exciting first aid supplies and continuing to provide all first aid training needs to our current clients.

MENTAL HEALTH FIRST AID

Mental Health First Aid is the help provided to a person developing a mental health problem or in a mental health crisis, until appropriate professional treatment is received or until the crisis resolves (Kitchener & Jorm, 2002).

Mental Health First Aid strategies are taught in training programs developed by Mental Health First Aid™ (MHFA) Australia, a national non-profit health promotion charity focused on training and research.

OUR NEXT MENTAL HEALTH FIRST AID COURSE:

Monday 3rd and Tuesday 4th June 2013

9:30 am to 4:30 pm
